SCS Overview

About Us

S.C. Swiderski is a comprehensive real estate, construction and property management company specializing in multifamily projects. The Real Estate Division manages the company's real estate portfolio handling acquisitions, sales, and land development. The Construction Division provides complete planning, architectural design, construction, and project management. The Property Management Division provides professional leasing, management, grounds keeping and maintenance of their portfolio.

Our Values

- Treat people, partners and customers with fairness and respect.
- Act in an honest and professional manner at all times.
- Provide a high level of service while being proactive and responsive to client needs.
- Plan and invest for longevity and stability.
- Set high standards and goals to pursue growth and improvement.

Our Mission

To use integrity, experience and proven approaches in construction and real estate investment to deliver quality developments while embracing our responsibility to customers.
